

Proposed amendment regarding alcohol policy at CSC:

Rationale: allowing alcohol during Operating hours – when children use CSC – may fundamentally change the nature of the club, and a member may not have chosen to join such a club. This gives them the option to leave without penalty.

“In the event CSC By-Laws change to allow alcohol (including beer/wine/spirits or any combination) during regular Operating Hours (currently 10:30am-9pm M-Sa, 1pm-9pm Su) each Member can request, and will receive a 100% refund of that year’s Annual Dues and any Initiation Fee paid when they joined CSC. If a member activates this option, their application to join the next year will not be accepted, but they may apply to join in a subsequent year.”
